S i r,

I have the honour to request the favour of your kindly arranging for Telephone communication, as on the previous occasions, between Kakankote and Karapur with intermediate stations at Mastigudi in connection with the forthcoming visit of His Excellency the Viceroy & Governor General of India. The telephone connection is required for three months from 15th October 1919.

It is trusted that as on previous occasions, telegraph communication will be opened between Hunsur and Karapur with an intermediate station at Heggaddevankote and combined Post & Telegraph Office established at Karapur. It would be a great convenience both to the Officers of this Department as well as for those attached to the Karapur Camp, if this could be arranged from 1st November 1919, as at present, the nearest telegraph station is about 38 miles from the scene of operations.
